

LOGOS

Our Weekly Children's Ministry Wednesday at 4:45 PM.

For children Pre-Kindergarden through 5th grade.

Beginning with dinner around tables where manners are taught and fun is shared, Logos involves children with Scripture, with loving adults, and with each other in a positive character developing atmosphere.

From 4:45 to 7:45, children are led through a number of exciting, creative activities which they will love, and from which they will learn!

Adults can attend a dinner at 6:00 PM followed by an adult Bible Study, which ends at the same time LOGOS completes. There is also a full youth program from 6:00 to 7:45 PM.

Let your children experience LOGOS!
They will want to come back again and again!
