What It's All About

Walking through a LOGOS evening, you're sure to find lots of kids having fun — playing games, singing songs, or enjoying a puppet. Regardless of the activity, all of the LOGOS staff has one main focus within everything that occurs on a Wednesday night: pointing children to Jesus Christ as their savior.

LOGOS puts smiles on faces!

The Bible Study curriculum this spring centers on the life of Jesus during His time on Earth as well as the first Christians. We hope the children at LOGOS will learn the

true meaning of the Easter season and grow closer to their God. We'd love to hear any stories about your child(ren) as they grow in their faith.

The Value of an Offering

Amidst the decorations on the LOGOS table at dinner are little woven baskets. Children are invited to bring an offering from home to help pay for costs of the LOGOS program including dinner, cur-

riculum, supplies, and materials. Besides placing an offering in the basket, families are also welcome to make a donation to the program at any time by placing it in the offering plate on Sundays or submitting it to the

church office. Just be sure it is clearly marked LOGOS! It costs the church \$4—\$5 per child per week to pay for LOGOS. Give as you are able—and help your child to be a "cheerful giver!"
